WINE ENTHUSIAST®

92 Points

92 Martin Ray 2023 Cabernet Sauvignon (Napa Valley). Nicely balanced and persistent with a full body of flavor, this wine offers stimulating tannins and length. Fennel blossom, black currant, cassis, dark chocolate, and gunmetal carry nose through close for a wine that makes good on fruit, savory, and earthy characteristics. An impressive go-to, crowd-pleasing wine with recognizably varietal enjoyment. Editors' Choice. —E.C.B.
