2024 CABERNET SAUVIGNON RESERVE NAPA VALLEY

The Spirit

A reflection of Napa Valley at its finest, this Reserve Cabernet Sauvignon embodies Courtney Benham's pursuit of exceptional vineyards and wines of distinction. Sourced from some of the valley's most celebrated appellations, it offers a sophisticated expression of Cabernet Sauvignon—rich in character, beautifully evolved, and crafted to deliver elegance in every glass.

The Vineyards

From the cooler reaches of Oak Knoll to the rugged elevations of Diamond Mountain, each vineyard contributes a distinct dimension. The renowned benchlands of Rutherford and Stags Leap District bring depth, concentration, and finesse. Together, these exceptional sites capture the diversity of Napa Valley, balancing generous fruit with structure and complexity.

The Composition

100% Cabernet Sauvignon

The Craft

Fermented at moderate temperatures to preserve aromatic complexity and refined tannin structure, the wine was gently basket pressed before aging for 18 months in French and American oak, with 40% new barrels. This thoughtful approach allows the fruit and oak to integrate seamlessly, creating a Cabernet of remarkable depth, balance, and sophistication.

The Experience

Expressive aromas of ripe red and blue fruits unfold into layers of black currant, freshly roasted coffee, and subtle hints of bay laurel and tarragon. The palate is rich yet composed, with beautifully integrated tannins and vibrant acidity lending harmony and finesse. Elegant, layered, and exceptionally smooth, this Cabernet offers a long, polished finish.
